This unique charity luncheon is being held on Sa Die De Sa Sardignia – Sardinia’s National Day and also represents the closure of the Sardinian Cyclone Appeal.

Widely reported by Il Globo and all media, this appeal was launched by the Sardinian Cultural Association (SCA) in support of the victims of Cyclone Cleopatra which caused extensive damage to the North Eastern parts of Sardinia last November. This event is a final opportunity to raise donations for those affected by the Cyclone.

Master of Cerimonies will be Riccardo Schirru, music will be provided by the ‘house band’, plus a series of exciting fundraising initiatives including a raffle, silent auction and more.
